I found your information via a search for Title IX information. What I experienced included surveillance, voyeurism in women's restroom, and ongoing harassment at a public college. I made a complaint through title 9. I was intimidated by faculty and students, but there was no physical contact.

Is this potentially something you could help with?

Thank you.

Hi Erika, thank you for your email. We are sorry to hear about this. The Victim Rights Law Center provides civil legal assistance to rape and sexual assault survivors in Massachusetts and in Multnomah, Washington, and Clackamas Counties, Oregon. The Oregon Crime Victim Law Center (<http://www.ocvlc.org/>) may be able to assist. Thanks again, and best wishes.
