Dear Erika Meyer:

On December 3, 2019, we received your request for an Expedited (fast) Grievance about having the crown on tooth #14 removed and a temporary one placed. A crown is a tooth shaped cover placed over a tooth that is damaged. Tooth #14 is a larger back tooth in the upper left part of your mouth.

A licensed dentist reviewed your request. Your dental condition does not require urgent care. We will continue to review your case and respond within 30 days.

If you have any questions, you may contact Member Services at (855) 433-6825. For Oregon Relay Service (TTY) call (800) 735-2900.

Sincerely,

Stephanie Brooks
